Hi, Bruce-

Just a couple of things for Tuesday site visit.

1. Do you have a few extra hard hats at the, in case we need them? 3 of us are coming.
2. Could you have a map of the proposed borings handy from the RDWP?

We'll see you at 10am at the trailer.

Best,

Michelle-

Sounds good, Michelle.

Yes, meeting beginning at 10:00 AM Eastern time on Tue, Jan 30th would work.

Below is an updated itinerary.

TIME	ITEM
10:00 AM	Meet at Ramboll Site trailer (located on the left side of the Albea facility entrance driveway). This is a good place to park vehicles, to perform initial introductions, to don PPE, and to have a H&S briefing
10:20 AM	Walk across parking lot to entrance lobby of Albea building to check-in and don facility required hair nets (facility also requires securing long hair, and removal of jewelry/chains/necklaces).
10:30 AM to 12:00 PM	Tour of areas of the interior of the Albea building including former Molding Room and adjacent areas to be accessed for the Pre-Design Investigation and Pilot Testing efforts.
12:00 PM to 12:30 PM	Final Q&A and depart the facility

Sincerely,

Bruce S. Kennington

Hi, Bruce-

Great for the 30th! I looked at the itinerary below. Would it be possible to meet earlier that day? meet at the site around 10am? Morning is better for Kim.

Please let me know.

Thank you!

Michelle-

Michelle:

FYI, we are confirmed for access with Albea Americas to tour the interior of the Washington plant on Tuesday, January 30th, so we are all set.

Thank you, Michelle.

Tue, Jan 30th would work well for Roy and me. I will also plan to have our project engineer and geologist on hand for the meeting.

Please let me know if the below itinerary would work for you.

1:00 PM - Meet at Ramboll Site trailer (located on the left side of the Albea facility entrance driveway) at 1:00 PM. This is a good place to park vehicles, to perform initial introductions, to don PPE, and to have a H&S briefing

1:20 PM - Walk across parking lot to entrance lobby of Albea building to check-in and don facility required hair nets (facility requires securing long hair, and removal of jewelry/chains/necklaces).

1:30 PM to 3:00 PM – Tour of areas of the interior of the Albea building including former Molding Room and adjacent areas to be accessed for the Pre-Design Investigation and Pilot Testing efforts.

3:00 PM to 3:30 PM – Final Q&A and depart the facility

PPE for the site visit is “Modified Level D” and includes:

- Steel toed work boots
- Safety glasses with side shields
- High visibility safety vests
- Hearing protection

We have spare PPE on hand for use in our site trailer for all of the above except the safety boots.

Please let me know if the above works for you and we will coordinate with the Albea facility personnel accordingly.

Hi, Bruce-

Looks like Jan. 30th and Jan. 31st are good dates on our end, with a slight preference for the 30th.

Please let me know what works best for you.

Thank you!

Michelle-

Thank you, Michelle.

In regards to review of the recent submittal and if it would be helpful, we can send courtesy redline/strikeout versions of the revised Draft RDWP and revised Draft QAPP (Rev 9), if you think that would be helpful to quickly view the proposed changes to these documents.

Please let me know.

Kind regards,

Bruce

Hi, Bruce-

Happy New Year!

Thank you for letting me know. I'll check in with the others about the dates and let you know. Also, we are reviewing your response to comments. I'll let you know if I have any questions.

Thank you!

Michelle-

Happy New Year, Michelle.

I am following up to see if we can set a date for a site tour for OU3.

Since the below exchange, other commitments have come up. So how about we plan for at site visit the last week of January (Jan 29 to Feb 2)?

Dear Michelle:

I connected with Roy recently. Below are dates of availability for our proposed site visit:

Jan 16, 18 or 19; or

Jan 22, 23, 24, 25 or 26

Once available dates are confirmed, I will contact Albea to arrange for access for our tour.

Hi, Bruce-

I was just thinking about the January site visit. Would you be able to send me some possible dates?

Thank you!

Michelle-
